Priya Raman

Senior Data Analyst

Experience

Lead Analyst, Copperline Logistics (2022 to 2026)

- Cut weekly reporting time from two days to three hours with a shared data model.
- Led a four-person team that forecast regional demand within 6 percent.
- Introduced quarterly review sessions with operations managers.

Analyst, Tidewater Retail (2018 to 2022)

- Built the first store-level margin dashboard used by 40 managers.
- Automated month-end reconciliation across three ledgers.

Education

B.S. Statistics, University of Northfield, 2018
